To Whom It May Concern:

I write this letter of recommendation for Mr. Forrest Tuff. Forrest has played a vital role in the production and development of my Artificial Consciousness Technology project. The skillfulness and timeliness of his work has always been apparent. Forrest is passionate about the tasks that he undertakes as well as the satisfaction of his clients.

I am continually pleased with the high-quality work that he produces in an effort to clearly depict and convey the importance of my patented information for businesses and consumers. Forrest stays current with using branding techniques that truly encompass my specific long-term goals within Artificial Technology.

Forrest Tuff is an excellent communicator, skilled writer, and consummate professional. His ability to work collaboratively and to develop new goals are a testament to his strong work ethic. If you have any questions about Forrest's accomplishments while working with me, please feel free to contact me at 433-799-0412.

Sincerely,

Nam Kim

Artificial Consciousness Technology, CEO
