GREETINGS:

I am pleased to extend my warmest regards to How to Tap into Georgia's Multibillion Dollar Film Industry. On behalf of the state of Georgia, it is a pleasure to be a part of this exciting workshop targeted at business owners and entrepreneurs looking to find work in Georgia's film industry.

Please allow me to welcome your distinguished guests and attendees; Georgia is currently third in the nation for film production, and I am committed to maintaining this impressive ranking. As such, I am grateful to organizations like One Vision Productions for their dedication to Georgia's film industry and for their focus on exclusive inside information on the film industry given to attendees. One Vision Productions has had a great positive impact on Georgia as a whole, and the film industry is no exception. I applaud this organization for giving a voice to the community which will in turn benefit the entire state of Georgia.

I commend your efforts to perpetuate and promote the film industry; I appreciate your activeness and passion. I hope you will continue your commitment to film and television industry guests. I applaud One Vision Productions for honoring and recognizing those who enrich the lives of others through the heritage of film in order to form a workshop to teach Georgians about the film industry.

I commend Mr. Forrest Tuff for organizing How to Tap into Georgia's Multibillion Dollar Film Industry and send my best wishes for a successful and enjoyable workshop. I look forward to the many contributions One Vision Productions will continue to bring to the state of Georgia's film industry.

Sincerely,
